# WHAT'S WILL BE YOUR WORK?

## ROLE AND RESPONSIBILITY

- Review existing calculators and important formula PDFs.
  - Add live calculators in your domain/ area of expertise.
  - Collaborate with other specialists and domain experts.
  - Get recognized for each calculator that you create on the platform.
  - Our platform helps you create Calculators using easy to use Wizards; without writing a single line of code! If you have a formula with you, you will need only 10-15 minutes to convert it into a fully functional Calculator!
  - With your expertise, we aim to make CalculatorAtoZ the biggest repository of Online Calculators across domains (Engineering, Math, Science, Finance, Health, etc.).
- 

# THE OPPORTUNITY!

## YOUR ONLINE - PROOF-OF-SKILL...

- Use our Global platform (*90% traffic comes from outside India*) to showcase your expertise in your specific domain/ topic/ etc.
- An online, public and reputable PROOF-OF-SKILL for your professional profile!
- Earlier you join and stay put you can gain more credits (*both Creation and Verification*) for yourself.
- A 'token' pay of INR 4,800 / month  
(For a standard 40 hours/ week. If you plan to work part time; please do your own math)

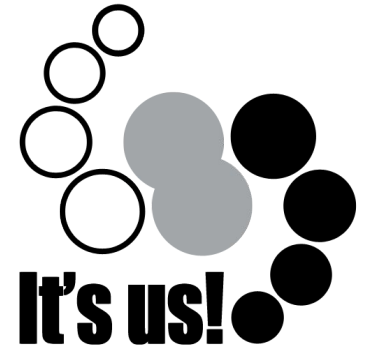

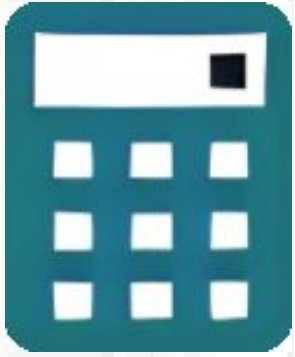

## APPLY ONLY IF...

You have visited [calculatoratz.com](http://calculatoratz.com) and have tried out a few calculators.
